Sybase and PowerBuilder User Group Switzerland - History 1997

Sybase and PowerBuilder User Group Switzerland

30 October 1997 Zurich-Oerlikon

This full day meeting was very interesting and certainly one of the best ones ever organised by the SPBUG.

The topics were:
- "Advanced Techniques for speeding up development with PB" by John Olson (Member TeamPS, USA)
- Break with officers election and administration as well as a discussion relating to the future of the SPBUG
- Great (and free) Buffet Lunch
- Technical presentation and product demo: "Use Case Analysis" and HOW from Riverton Software given by Donald Chapin and Nicholas Whidborne from Noblestar Systems in London
- "Techniques for speeding up your application" by John Olson
- Product demo of PowerBuilder 6 Beta given by Craig Stewart from Sybase
